

**Biostatistician I**

**Position Number: B-I.0320**

**Cancer Research And Biostatistics (CRAB)** is a non-profit organization whose purpose is to help conquer cancer. The tools and expertise we bring to clinical trials development include biostatistical principles, oncology clinical trials expertise, data management and monitoring capabilities, electronic data capture solutions, education, support, and training.

**Position Summary:**

An exciting opportunity is available to join a group of biostatisticians focused on cancer clinical trials and related translational research. CRAB is responsible for the design, management and analysis of a variety of phase I, phase II and phase III cancer clinical trials, as well as the analysis of associated laboratory data, including microarray and proteomics data. The successful candidate will collaborate with fellow biostatistics staff and clinical investigators to design, evaluate and interpret clinical studies.

**Primary Duties and Responsibilities:**

- Analyzes clinical trials and associated ancillary studies in collaboration with fellow statisticians and other scientists
- Prepares tables, figures, and written summaries of study results; interprets results in collaboration with other scientists; and assists in preparation of manuscripts
- Provides statistical consultation with collaborating staff
- Performs other duties as assigned

**Required Qualifications:**

- Master's Degree in Statistics, Biostatistics, or related field
- Sound knowledge of applied statistics
- Proficiency in statistical computing in SAS

**Desired Knowledge, Skills and Abilities:**

- Biostatistical consulting experience
- Knowledge of CDISC compliance
- S-Plus or R programming language experience
- Experience with analysis of high-dimensional data
- Ability to communicate well orally and in writing
- Excellent interpersonal/teamwork skills for effective collaboration
- Spanish language skills a plus

---

This is a full-time position and is Exempt from state and federal overtime regulations.

Employment authorization is required.

Travel/relocation expenses will not be provided for this position.

CRAB is an Equal Opportunity Employer.

**In your cover letter, describe how your skills and experience match the qualifications for the position.**

**To apply, submit resume and cover letter with position number via mail, fax or email to:**
